Treasurer's Report

\$1509.28 total funds Motion to accept by Kirk KF7N and Joseph, W3JVC seconded. Approved by membership.

Letters of Commendation

Presented to Scott NA7OM (and Chris Duncan - Chris absent) – for their exceptional work on Field Day 2017.

Soldering Class, Radio Programming Class, License Class Report - Curt, KF7VZV

We had an excellent soldering class with 7 students, taught by Ernie Walston. The Radio Programming class had 8 students, most of whom were helped with their Baofeng handheld radios. There are about 14 students in the License Class; 2 or 3 of the students attended Field Day and they decided to take the license class.

The homebrew class has been cancelled.

Joseph W3JVC and Bill N7EU will be teaching the kit building class. It will be held on Saturday, October 7th at the Smullin Center. Contact Joseph by email if attending - jvclarke@gmail.com. More information is available on the Club website. Remember to go to www.qrpguys.com and order the Lidia kit. It is a receiver only in the CW part of the 40 meter band.

New Business

Ed, KD6DVR, has a 7500 watt generator if anyone wants to borrow it.

Scott, NA7OM, needs manpower to install new co-ax, etc. at the Red Cross building. You can contact Scott at 541-840-7370, or email him at kd7ehb@yahoo.com.

There will be a swap meet at the RVARC – Red Cross Building, Saturday 8/26/17 from 0900 until 1300 (100 p.m.).

Election of President for Remainder of Term

Curt made a motion to have the person with the second highest vote to move into the VP position if Darrell is elected interim president. Johnny, WA6RHK seconded. Approved by the membership.

Nominations for President

Joseph Clarke, Darrell Barker. Bill Martin, Bill Schrader (Bill Schrader declined)

Election results

The first vote let to a tie between Bill Martin, N7EU and Joseph Clarke, W3JVC. The membership voted again and Joseph Clarke was voted Interim President until our regular election this coming January.

Cub Scout Jamboree on the Air Opportunity - Charles "Cody" Taylor in Ashland

It's the 3rd weekend in Oct. 2017 on the 21st. Kirk KF7N, Bill K7WGD and Bill N7EU will help. Curt, KF7VZV, may be able to help.

Break 1916-1928

Raffle drawing was held, and Bruce Cook, KG7TUO, won the radio/power supply raffle.

Field Day presentation by Curt and Scott

Scott, NA7OM, says that we earned about 3200-3300 points and we are probably first in scoring for category 4A class. Curt showed a presentation of Field Day pics.
